

Finance Rent to Own Vehicle

Do you have a poor credit profile?

Are you are blacklisted?

Can't get finance or a loan?

Are you currently under Debt Review, Administration or under Sequestration?

If you said YES to one of the above then you are at the right place for a vehicle.

Here at Debt Freedom Rent to Own Vehicles, your credit history won't affect your ability to get a late Model, quality AA tested and approved pre-owned Vehicle.

PLEASE NOTE: All monthly payments are insurance and tracker inclusive and are fixed for the term.

So please don't count the payment as the total Vehicle price.

For example: You pay R3, 200 x 54 months for a 2012 Hyundai Atos 1.1 GLS.

That gives you a total of R172, 800 for the Vehicle, Insurance and Tracker for the entire 54 months.

If you deduct Approximately R1, 000 pm for insurance and tracker then the total estimated price of the vehicle is R118, 800.

The retail of the vehicle currently is:

2012 HYUNDAI ATOS PRIME 1.1 GLS with a mileage of 90000km has an estimated book value of:

R86, 049

The estimated trade in value of your car is between: R69, 484 - R76, 798

The estimated retail value of your car is: R94, 008 - R103, 904
