REASONS FOR INSOLVENCY

There are various circumstances that may lead to insolvency and ultimately the sequestration of an insolvent estate. Below are some of the most common reasons that contribute to financial distress. Please indicate which of the following applies to your situation and provide sufficient detail so that we can present a comprehensive explanation to the Court as to why the sequestration of your estate is necessary and appropriate.

1. MEDICAL EXPENSES

Question	Details
Is anyone in your family ill?	
What illness does he/she/they have?	
Do they have medical aid?	
Is the medical aid exhausted?	
Does the medical aid cover the mentioned expenses?	
Do you have ongoing monthly medical expenses?	
Were hospital costs incurred at any stage?	
Any other relevant information?	

2. JOB LOSS / UNEMPLOYMENT

Question	Details
Reason for unemployment	
What salary were you earning before losing your job?	
If re-employed, are you earning a higher or lower income than before?	
If still unemployed, have you applied for jobs?	

4. DIVORCE / SEPARATION / SINGLE PARENT

Question	Details
How long have you been divorced or separated?	
Do you have children?	
Ages of children	
Do you receive maintenance from the children's other parent?	
Do the children attend extracurricular activities? If yes, specify.	
Do your children have any special needs?	

[illegible]

General Information

Question	Answer
Previously sequestered?	Yes / No
If yes, date of sequestration?	
Curator	
Date of rehabilitation	
Any other relevant information	

Signature: _____

Date: _____

Name: _____

ID Number: _____
